Introduction

We are pleased to be able to offer you this seventh annual edition of the Almanac. For the first time the Almanac is produced solely as a digital copy.

The rankings database continues to grow and now contains over 71,700 performances by 3642 athletes. Major work in the past twelve has resulted in us being able to finalise the records lists. The website itself underwent a "refresh", resulting in a new look. Again for this edition we have collected most of the data ourselves over the past few months – so we take responsibility for any errors. Once again, before getting immersed in the content, we would advise you to spend a few minutes reading the Notes section which details some of the intricacies of the data.

NOTES

2016 Calendar Year – The material in this Almanac covers the 2016 Calendar year which is from 1st January 2016 until 31st December 2016.

Age Groups – New Zealand had three age groups in 2016. They were: Youth Men/Women, Junior Men/Women, Senior Men/Women. These were the same as the IAAF definition. (see table below)

Names – We have used the convention that the athletes name as recorded on the Athletics New Zealand membership database is the name of the athlete that we record in our statistics. Names of athletes on the Athletics New Zealand membership database are sometimes at variance with the name used when entering a competition. Some athletes interchange abbreviated names and differently spelt first names across competitions. Further, many athletes names on registration become abbreviated or differently spelt when they enter a competition. We have endeavoured to be consistent but in many instances the athlete themselves prefer to be known by either name – depending on the circumstances (and their mood!).

Name Change – Some athletes do change their family name due to specific circumstances e.g. marriage. Again we use the same convention as above – the family name they are using in the entry list or results of a competition. As far as we are aware the only athletes who have different family names in different parts of this Almanac are:

Valerie Adams – Valerie Vili

Tania Murray – Tania Murray-Dixon

Demelza Murrihy – Demelza Murrihy-Topp

Danielle Trevis – Danielle Ingram-Trevis

Lesley Morton – Lesley Ryan

Leonora Joy-Petrina – Leonora Petrina

Angela Petty – Angela Smit

Fiona Centers – Fiona Hely

Rowan Torckler – Rowan Baird

Lucy van Dalen – Lucy Oliver

Bryn Jones – Bryn McLeod-Jones

Jordan de Spong – Jordan Rackham

Affiliation - Again we have used the convention that the athlete's affiliation is the one under which they are registered on the Athletics New Zealand membership database. We are reliant on athletes informing us of a change of affiliation (Centre/Club). For records, an athlete may be representing their club, their Centre, or has been selected to represent New Zealand. Whichever representation is officially recorded at the time of the competition where a record is set is the one that we use.

Ranking Lists - Age group athletes' performances (Junior Men/Women, Youth Men/Women) will also appear in the Open Men/Women lists if the event specification (implement weight/ hurdle height) of the age group is the same as that of the specification for Senior Men/Women. Youth Men/Women athletes will not appear additionally in the Junior men/Women lists unless they compete with Junior Men/Women implements/hurdle heights.

All-Time Lists - The All-time lists were first compiled in early 2010 and listed the top 20 All-time performances. Since that time, there have been performances that would fit into the top 20 All-time. Hence some of the lists are longer than 20 athlete's performances. Only athletes who were eligible to represent New Zealand internationally at the time of the performance are included in the All-time lists. (see note re Tori Owers)

Age Records - Eligibility for a New Zealand Age Record is different from eligibility for competing in an Age Group. Age Records are adjudged on the age of the athlete on the day of the performance.

Registered Athletes - Only performances achieved by athletes who are members of Athletics New Zealand appear on Ranking Lists. Some school athletes, Children's Association athletes, Masters/Veteran athletes are not members of Athletics New Zealand.

Placing in a competition - Because of the many different ways results are presented it is not always possible to work out correctly the athlete's finishing position in an event. In many mixed age group competitions and events, sometimes finishing position is recorded with finishing position by age group, whilst some results record finishing position according to the whole event result. Caution must therefore be taken when reading the placing position in the rankings lists.

Errors/Omissions - If you do find any errors or notice any omissions in this Almanac please let us know at stats@athletics.org.nz so that they can be addressed.

Rankings Lists Age Groups for 2016 year

In line with the IAAF age groups (IAAF Rule 141) the New Zealand ranking lists for the 2016 year were maintained as follows:

Senior Men/Women – athletes born in 1996 or before.

Junior Men/Women – a Junior athlete is one who is 18 or 19 years of age on the 31st December in the year of the competition – i.e. athletes born in 1997 or in 1998.

Youth Men/Women – a Youth athlete is one who is 16 or 17 years of age on the 31st December in the year of the competition – i.e. athletes born in 1999 or in 2000 (or later).

These age groups also apply to New Zealand National Championships competitions.

Note re-Eligibility for All-time lists

Tori Owers (formerly USA) was granted eligibility to compete for New Zealand by the IAAF effective from 15 June 2015. Due to the All-time lists now being automated with current performances and the fact that the All-time lists list only athletes who are eligible to represent New Zealand at the time of the performance, all Tori's performances listed on the Rankings site prior to 15 June 2015 have had to be removed.

Corrections to Almanac 2015

Due to a change of circumstances and the resultant delays to the production of Almanac 2015, a number of errors crept into the publication. As far as we are aware the following errors were limited to:

National Records (pages 123 – 134). Each of the tables was downloaded from the Rankings and Records webpage in late March 2016. These tables of course contained records that were newly set in 2016, rather than tables that contained the records up until 31st December 2015. Further, the table of Women National Records (page 130) was not downloaded correctly.

All-time Lists (page 95 – 118). Again, each of the lists was downloaded from the Rankings and Records webpage in late March 2016. These All-time lists of course contained performances that were achieved in 2016, rather than lists that contained relevant performances until 31st December 2015.

International Competition Results 2015 – Summer Universiade (page 146).

Eliza McCartney is listed as having competed in the 800m semifinals. This performance should be assigned to Brad Mathas. Eliza McCartney competed in the Pole Vault where she vaulted 4.40m for second place. Further, Eliza was first in her qualifying pool clearing a height of 4.05m.

Our apologies are extended to those affected by these errors.

NEW ZEALAND ATHLETES LISTED IN THE WORLD MERIT RANKINGS IN 2016

Athletics International World Merit Rankings 2016

The world top 10 merit rankings for 2016 contain four New Zealand Athletes. The Athletics International selection panel consisting of the co-editors, Peter Matthews and Mel Watman, together with Stan Greenberg and Stuart Mazdon (UK), Mirko Jalava (FIN), Alfons Juck (SVK), A Lennart Julian (SWE) and Ed Gordon (USA) assessed the year's records of the leading contenders and the ranking order was determined by consensus. This year the Olympic Games provided the main focus followed for most events by the Diamond League (DL) and World Challenge meetings. As ever the panel were concerned with the quality of athletes' best marks, their consistency, and win-loss records against other ranked competitors. It should be noted, however, that not all athletes can compete at DL meetings etc. and some will have different targets, such as NCAA or continental championships. Marks made indoors were not considered (apart from when part of outdoor meetings, such as the Zürich shot or events moved indoors due to the weather), nor were any athletes who were suspended for two years or longer during the year for drug-related offences. Three New Zealand athletes, Valerie Adams, Tom Walsh and Nick Willis were merit-ranked in 2015. The four New Zealand Athletes merit-ranked in 2016 were:
